COMPANY PROFILE

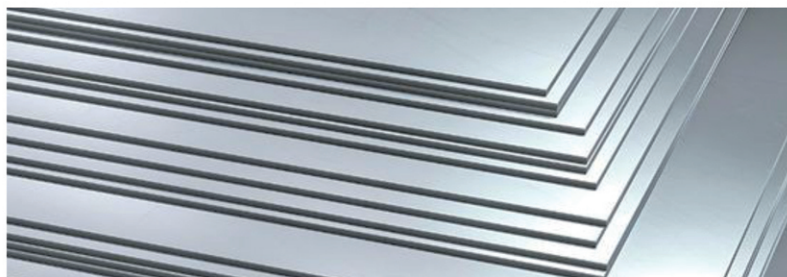

Orinox Steel is a leading professional stainless steel processing and supplying company in China, established under the DongZe Group. Our team is composed of seasoned professionals with over 15 years of experience in stainless steel export, and backed by DongZe Group, which has 25 years of expertise in manufacturing and processing in China.

Our products ranged 200 series, 300 series, 400 series, and special steels, with surfaces including NO.1, 2B, BA, HL, NO.4, 6K, 8K, embossing, etching, anti-finger and PVD, LIC color. We cooperate with leading mills such as Tsingshan, Hongwang, Yongjin, Delong, Beibu Gulf, TISCO, and Eastern Special Steel. Our team holds strong supply chain advantages in variety of stainless steel products, including cold/hot-rolled coils and sheets, industrial plates, flange and profiles.

With a strong presence in East Asia, Southeast Asia, the Middle East, South America, and Eastern Europe, we offer one-stop stainless steel export services with competitive pricing, fast lead times (shipment within 7 days for in-stock goods), and comprehensive customization support.
